Dress Goods.

We want every woman in this vicinity to visit this BIG DRESS GOODS DEPARTMENT this week. We will not ask you to buy. We want, especially, people who are not in the habit of buying their Dress Goods here to come—look around. There are Fifty Salespeople here to wait on you. You will not be imperturbed to buy. To Republican Voters.

The new election law requires each voter to vote in the precinct in which he resides. It is also necessary to be listed on the assessor's books as a voter in the precinct. The assessor for the city district will be at the office of the clerk of the Board of Commissioners from 10 to 12 o'clock a. m., and from 2 to 4 o'clock p. m. each day from October 1 to October 8, inclusive. Voters having moved from one district to another, or from one precinct to another, since June 1st should call on him and be listed during the above period. The county committee will notify the voters who are not listed, as far as possible, and every voter so notified should see that his name is on the assessor's list; otherwise he will be put to inconvenience on election day, and will possibly lose his vote.
J. K. HALL,
Chairman Republican Committee.

Promise for a Good Well.

Yesterday a well at Friendly, down the river, reached the sand, and when two feet in the rock it was sized up for a 100-barrel well. It is owned by the McClure Bros., Nate Fiel, Capt. Tom Heskett and others, of this city.

Verdicts in Two Cases.

In the circuit court yesterday, in Judge Paul's side, the jury in the case of J. W. Howell vs. the street railway company, rendered a verdict for \$2,000. A motion for a new trial was made.
In Judge Campbell's court, in the case of D. L. Prager vs. Cox, a verdict was given in favor of the defendant for \$38, and a new trial was also asked in this case.

A Coming Picnic.

The Wheeling barkeepers will give a grand outing and picnic at Wheeling Park on Thursday, October 11. The Opera House orchestra will furnish the music for the occasion. There will be prize bowling, for which prizes of \$15, \$10, \$5 and \$2 will be offered for the best individual scores. There will be a cake walk and the large Casino will be devoted to dancing. The affair is under careful management and a successful event may be confidently expected.

A Wheeling Man Shot.

The following special telegram appeared in yesterday's Pittsburgh Dispatch:
ALTOONA, Sept. 27.—Jealousy over a beautiful young lady, named Miss Nora Snow, resulted in John Johnson, of Wheeling, W. Va., being shot in the back by a rival lover named John Mogen, at Kittanning Point, near here, late this afternoon.
Johnson was shot five times, and there is no hope of his recovery. Mogen has made his escape.

A Successful Affair.

The success which attended the supper given last evening by the Women's Union Benevolent Society was but the deserved mark of approval which a discriminating public stamped upon the ladies' efforts. The ladies having in charge the social expended much time in preparing for the event, and at the close of the evening's entertainment were filled with a sense of relief at the outcome of their efforts. The menu of the supper was such as would tempt the palate of any epicure, and was highly appreciated by all who attended.

HIS HEAD WAS CUT OFF.

A Young Man of Bridgeport Meets
with a Fatal Accident.

RUN OVER BY A C. & W. ENGINE

On a Bridge just West of the Town, and Instantly Killed—Peculiar Actions of the Victim Just Before he was Struck—The Verdict of the Coroner.

Arthur Rixon, a young man of eighteen or nineteen years, was decapitated last evening at 7:45 o'clock by the shifting engine, No. 48, of the Cleveland, Lorain & Wheeling railroad at Bridgeport. The engine was going north at a rapid rate of speed with a couple of men on the pilot. Just as they crossed the steel bridge spanning Wheeling creek a man who had been sitting on the edge of the track in the shadow of the bridge was seen to attempt to rise and then fall backwards upon the track. The engine was stopped as quickly as possible and the men went back to the bridge.

By chance Dr. Fisher, of Bridgeport, was passing near the place in his buggy, and also proceeded to the spot. The man's body was found, having been dragged some distance after being run over, but the head was missing. Search was made and the head was found about forty feet from the track having rolled down the embankment of the road.

The remains were taken to W. B. Hall's undertaking establishment on Pike street, where Coroner John W. Lohman held an inquest last night and the jury rendered a verdict in accordance with the facts.

The victim was said to have been subject to fits, although he had not been recently troubled with them. Many people seemed to think that the near approach of the train took him by surprise, and that as he attempted to get up a sudden attack had caused him to fall backward. The body was unharmed, except a slight cut on the right leg. The head had a triangular scalp wound in the back, but the features were not changed in the least.

The man lived with his parents at their home on the plank road on the edge of the corporation. The family has been unfortunate, a brother having shot himself a couple of years ago, another brother having lost the fingers of one hand while working in the mill, and another having been injured in a railroad accident.

Stouts and Slims

Folks go a sight on dress nowadays, and if you want to stand well you must dress well. The old adage doesn't run that way. But in this day and generation the want of good clothes is very apt to unmake the man.

Effort is the parent of success. We tried to perfect past perfections, and the fifteen hundred Fine-Fitting OVERCOATS and almost a third as many more SUITS are on our tables, the result of our ambitious endeavor. We selected the very freshest and choicest weaves made by the best manufacturers that we could find. Every garment is tailored in the very best manner; every stitch is securely taken; every quality honestly weighed. It's the perfection of the Paris that makes the perfect whole, and we've been vigilant from the very beginning. When you come to review our stock you'll see new styles that cannot be found anywhere else—styles that appeal to the appreciation of the young nobby dressers—styles that will suit the quieter tastes, and styles that will win favor with every settled, sedate clothes wearer. In all our Suits and all our Overcoats, from the cheapest to the best, are the virtues that belong to fine tailoring. We are showing a Greater Variety, offering Better Values, asking Lower Prices than ever. If these are not trade bringers, nothing can be.

We have succeeded in making one of the largest Collar and Cuff contracts ever made by any half dozen houses combined, and shall sell the Finest Linen Collar and Cuff Made, guaranteed to be four-ply 2100 linen, in all the latest styles, as good as any 25c Collars and 40c Cuffs. Our price for as few or as many as you want will be 10c for Collars, 25c for Cuffs. Remember twenty-one hundred linen. Come and see them. Buy and compare, and if they are not as good as any you've been paying considerably more for we will buy them back at the price you paid, no matter in what condition they're returned.

NEW STYLE SUITS—BAER'S CLOTHING HOUSE.

"SWEET MARIE,"

Is the popular song of '94. At the present time it is netting its composer the nice sum of \$2,000 per month. Popular songs are like styles in Men's Clothing—they are ever changing—the old giving place to the new. This Fall the changes in styles are more decided than of previous years. The Sack or Business Coat is made longer, and is cut away slightly more. We sell the

NEW SACK SUITS

In the Latest Fall Goods from \$10 to \$20.

Like the plumage of a handsome bird adds to its beauty, so does a well tailored Suit add to the looks and comforts of a Man's general appearance. We aim to serve the Newest Styles and give a Man a Perfect Fit in all cases.
